ARTSCENE CURTAIN PANELS

Featured are all of our curtain designs to give a clear image of design & scale. The watercolour designs are beautifully finished softly trailing up the curtain.
MIRRORS
Mirrors are a great way to reflect light around a room to give a brighter, airy feel.
ELEMENTAL

The unpredictable brushstrokes with differing hues and tones that change during the ink and water drying process has inspired us to create our unique Glass collection, expressing the same process of colour mixing and blending in molten Glass.

RAINBOW

swirling of organic blends
ADORNED WITH A DECEDANT METALLIC FINISH

**THALASSA**

A celestial sky-scape portrayed in rich atmospheric hues of sapphire and burnished pewter, a stunning piece resembling a precious geological mineral.
