Bold styling, lavish detail and a surprising narrative make Kyoto Gardens a perfectly versatile collection for a spectrum of sophisticated interior schemes.
Taking inspiration from the elegant organic forms found in oriental landscapes, this harmonious and opulent collection exudes modern luxury.

A contemporary colour palette of rich jewel tones in hues of Amber, Emerald, Cobalt and Tourmaline sit in striking harmony with moody smoky shades.

Bold styling, lavish detail and a surprising narrative make Kyoto Gardens a perfectly versatile collection for a spectrum of sophisticated interior schemes.

Perfectly printed on to soft linen with a delicate bamboo texture and sumptuous velvet, let this beautifully composed collection transport you to another world.
